Hi Carson,

Thanks for getting back to me! Sorry to hear you are laid up today - your typing isn't half bad! ☺ Thanks for the heads up on the agenda items.

Kaye —

Here was the agenda as of the end of last week. I don't think the agenda will be updated, but I'm guessing the items will be discussed as the state brings them up, if they do.

Through email traffic, I see the following topics may be discussed (state brought them up last minute):

- -
 -
- ## Deliberative Process / Ex. 5

I have also attached the Exxon MPDES write up. I have not seen or been copied on the other papers. Julie will need to get those to you and everyone else participating from Denver.

Sorry, that's all I know. As Shawna said, I'm a little out of commission...

Hi Kaye,

Hope you are well. The agenda for the Midyear was not shared with me. Julie is here but is currently in a meeting so I haven't been able to ask her if she has an updated version. Carson had surgery on his arm yesterday and is out of the office so I can't say whether or not he has a current version. If I am able to catch Julie I'll see if she has one and get back to you.

Have a great day!

Hi Melanie and Julie,

Suzanne will be attending the MT midyear VTC today from 2-4. Have the two new enforcement issues been added to the agenda and, if so, when will they be discussed?

Thanks,
